Ian, thank you for the call just now.

This email will confirm our discussions, and that you have agreed to extend our objection deadline to the trustee motion for one week on a tentative basis, pending the status conference tomorrow and our further discussions late tomorrow or Wednesday morning following the status conference in a further extension.

Thank you again for your courtesies and considerations, and feel free to give me a buzz to discuss anything at any time, and I'll talk to you after the status conference.
